Dear Friends and Supporters at the Friends of Mackay Island NWR,

On behalf of the KIES PTA, thank you so much for your generous donation of hand-made bird houses.

We appreciate all of the financial resources, silent auction items, volunteer hours, creativity and energy that everyone contributed for our "Fun, Relaxation & Fundraiser" at the Virginia Beach Airport. Because of your investment, we now have \$8,500 more to be used to bless the students, families and staff of Knotts Island Elementary School.

Our goal is to provide funds for student educational activities, family leisure opportunities, and classroom supplies; library/media resources; and a laminating machine for the staff. Now we can also sponsor Teacher/Staff Appreciation gifts, an Accelerated Reader store, Project Fair awards, and Walking Club rewards.

Our mission is to booster the parent-teacher-child relationship. We aim not only to uplift our children into academic success, but also to support our teachers as they focus on our most precious gift.

Thank you again, and we look forward to your continued support.

Sincerely,

A handwritten signature in cursive script that reads "Stephanie Miller".
